SECURITY DEPOSIT TERMS & RETURN CONDITIONS

Each motorhome rental is subject to a security deposit currently fixed at €3,200, regardless of the category of VEHICLE or the rental duration. This security deposit is a way to verify the RENTER's solvency relative to the value of the VEHICLE provided. The purpose of this security deposit is to cover amounts potentially due from the RENTER at the end of the rental. This security deposit is equal to the RENTER's maximum liability, except in case of violation of the general terms of use of the VEHICLE.

TYPES OF SECURITY DEPOSIT:

- **Deposit by means of credit card imprint via Swikly:** RENTERS can provide a security deposit no later than 10 days before their departure date by providing a credit card imprint via Swikly.
- **Deposit by means of debit card charge or bank transfer:** RENTERS whose bankcards are not recognised by SWIKLY can make their security deposit by bank transfer or debit card charge no later than 10 days before their departure date. RENTERS without an account at a French bank must bear exchange rate risks.
- **Security deposits will not be accepted via personal check or cash.**

If the RENTAL COMPANY determines that the guarantees provided on the application are insufficient, it reserves the right to demand that RENTER pay the security deposit immediately by bank transfer or debit card charge.

RETURN OF MOTORHOME:

- **VEHICLE returned in a condition consistent with the pre-departure inspection report:** the security deposit will be returned to the RENTER within a maximum of one month.
- **VEHICLE returned in a condition not consistent with the pre-departure inspection report:** In case of any DAMAGE, a bill will be issued for the cost of restoring the VEHICLE to its original condition, in an amount capped at €3,200 (three thousand two hundred euros) per event, corresponding to the excess amount. If the loss suffered by the RENTAL COMPANY is subsequently reduced, the RENTER will be reimbursed for the amount of such reduction.

The security deposit will be released upon payment of this bill. If no payment is made, the security deposit amount will be collected eight full days after the issuance of a written reminder. Collections made via SWIKLY shall incur an 8% collections fee payable by the RENTER.

- **When the keys to the VEHICLE are handed over,** a VEHICLE inspection report sheet, including an inventory of included accessories and a mileage statement, will be provided as an attachment to your Contract. It is the RENTER's responsibility to notify us in writing of any apparent defect or missing equipment/accessories not mentioned in the VEHICLE inspection report. If no such notification is received, the VEHICLE will be deemed delivered in a condition consistent with the inspection report. Claims concerning apparent DAMAGE not reported at the time of departure will not be taken into consideration.
- **Upon return of the VEHICLE,** an inspection of the VEHICLE will be performed, a mileage statement made, and an inventory of accessories taken in your presence. You are required to return the VEHICLE in the same condition in which it was received. In particular, the VEHICLE, its interior, its equipment and its accessories must all be returned cleaned and in perfect condition. Cleaning shall include emptying the wastewater and sewage and refilling with clean water. If the VEHICLE is returned in a condition unfit for immediate re-rental, cleaning costs up to €399 (three hundred and ninety-nine euros) may be charged. If the VEHICLE is not returned with a full tank of fuel, you will be charged an additional refuelling penalty for each missing 8th on the fuel gauge, as specified in the Price Conditions. The cost for any repair of destroyed or damaged equipment or accessories and for the replacement of any missing items will be billed to you separately. If DAMAGE to the VEHICLE is observed upon its return, you will be charged for the associated repair costs.

If the VEHICLE is returned late, a penalty of €300 will be applied starting one hour after the VEHICLE's expected time of return. If the VEHICLE is not returned on the expected date, you will be billed for a late return penalty at a rate of €500 per day.
